.. Not available

Note: For country details related to data on unemployment by duration of job search, see www.oecd.org/els/emp/lfsnotes_sources.pdf. Persons for whom no duration of unemployment was specified are excluded from the total used in the calculation.

Please refer to the Box entitled "Major breaks in series" in the introduction to the Statistical Annex.

1. Data based on small sample sizes.
2. The lower age limit is 16 instead of 15. For Iceland up to 2008, Italy after 2007, Norway up to 2005 and Sweden up to 2006.
3. Weighted average.
