

# ACKNOWLEDGEMENTS

*The Aid for Trade at a Glance 2009 : Maintaining Momentum* was prepared under the aegis of the OECD Development Assistance Committee (DAC) and the OECD Trade Committee (TC) and in close co-operation with the WTO Committee on Trade and Development.

The OECD and WTO Secretariats would like to express their appreciation to all the governments and the international organisations that participated in this second survey.

The report has been prepared under the overall guidance of Frans Lammersen, Senior Administrator at the OECD. The core team was composed of Thomas Dannequin, Masato Hayashikawa, William Hynes, Violaine Messenger and Laura Munro. In addition, Ann Gordon and Michel Lahittete provided the statistical support.

Shishir Priyadarshi, Michael Roberts and Hans-Peter Werner from the WTO Development Division provided valuable advice. Contributions to the fact sheets from Farah Farooq, as well as to Chapter 5 from Anthony Jude (Asian Development Bank), Mark Pearson (COMESA) and Carolyn Robert (Inter-American Development Bank) are also acknowledged.

The report was designed by Peggy Ford-Fyffe King. The team was assisted by Deborah Barker and Susan Hodgson. We would like to thank in particular Martina Garcia for developing the partner country questionnaire.

We also extend our acknowledgements to external and internal reviewers, notably Julia Benn (OECD), Elena Bryan (United States Trade Representative), Bryan Fornari and Liselotte Isaksson (European Commission), Douglas Lippoldt (OECD), Richard Newfarmer (World Bank), William Nicol (OECD) and Kent Wilska (Ministry of Foreign Affairs of Finland).
