

Acknowledgements

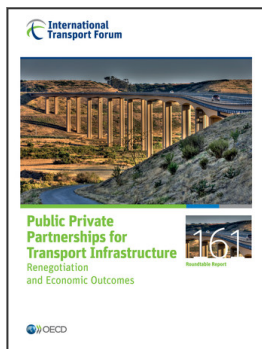

We would like to thank the participants of the Roundtable, on whose discussions this publication is based.

For the comments on the draft version of Chapter 1, we thank in particular Robert Poole, Jonathan Gifford, Jan-Eric Nilsson, Michael Burnett, Porter Wheeler, Patrick Harder and Lisardo Bolanos.

We thank Eduardo Bitrán, Sebastián Nieto-Parra and Juan Sebastián Robledo for permission to use their data on PPPs in Chapter 2. Authors Fischer and Galetovic gratefully acknowledge the financial support of Instituto Milenio “Sistemas Complejos de Ingeniería” and also wish to thank Amanda for her helpful research.

The research and drafting of Chapter 4 were supported in part by the International Transport Forum and the George Mason University Center for Transportation Public-Private Partnership Policy. The Center receives support from the Office of Transportation Public Private Partnerships of the Commonwealth of Virginia. Porter Wheeler provided insightful comments. Morghan Transue substantially edited the manuscript and Susan Woods provided invaluable administrative support. The authors would like to express their gratitude to the valuable comments from participants at the ITF Roundtable. This chapter represents the views of the authors, who are responsible for any errors or omissions.

The authors of Chapter 5 are grateful to Alex Jett for his support with the PPI Database, Francesca Guiso for assisting with the data analysis, and Conor Healy for sharing digitalised data on disputes. The findings, interpretations and conclusions expressed in this chapter do not necessarily reflect the views of the board of the executive directors of the World Bank, nor the governments they represent.
