

# Saint Lucia

## A. Progress in the implementation of the minimum standard

Saint Lucia has two tax agreements, as reported in its response to the Peer Review questionnaire, including the multilateral agreement among the members of the CARICOM concluded with ten treaty partners (the CARICOM Agreement).<sup>146</sup> Neither of those agreements comply with the minimum standard.

Saint Lucia has not signed the MLI.

Saint Lucia indicated in its response to the Peer Review questionnaire that the agreement with Switzerland did not at this stage give rise to material treaty shopping concerns for Saint Lucia. In its response to the Peer Review questionnaire, Switzerland also indicated that its agreement with Saint Lucia did not give rise to material treaty shopping concerns for Switzerland.

## B. Conclusion

Saint Lucia acknowledges that the CARICOM Agreement does not at this stage comply with the minimum standard and that discussions to bring this agreement up to date would be contemplated.<sup>147</sup>

## Other agreements

This Table shows the agreements that are not compliant, not subject to a complying instrument, not covered by a general statement on the implementation of the detailed LOB and for which no steps have been taken to implement the minimum standard.
